Yes, it's our 50<sup>th</sup> Class Reunion. It's this summer and we want you to come.

Lots of events are planned for our three-day celebration, including a golf outing, get-together pizza party, buffet breakfast, school tour, and open house. To help us plan properly, please respond ASAP so we know you're coming.

Also, please, please, please keep us informed of your e-mail address, address changes, and home or cell phone numbers. We encourage you to join our Facebook group (below) where we post about classmates and events. This is a great way to stay in touch with school friends as well as information about the reunion.

Now, the event. We chose a wonderful location with great food. Casual attire is encouraged. We've kept the price down to include the cost of the food, tax, tips, and service fees. By doing so, we're hoping for a great turnout of 150 people. We're also encouraging donations to pay for the great venue, decorations, mailing and printing costs, etc. If you're able to make a donation, you'll be recognized as an event sponsor.

Please complete the enclosed Event Registration Form as soon as possible so we know you're coming. If you can't attend, please return the form with your contact information anyway. We want to make it easier to reach you. Our goal is to have everyone's email address to make future communication better and faster.

Sincerely, your Reunion Committee
